Looking for information on Mrs Ida Black 331 Spencer Rushville In. She would have lived at that address @1935. I believe she had a brother Wright Roberts who was the Father of my grandfather George Roberts who was put in the Gordon Shelby Children's home when he was born in 1911; their was a brother Ray born 1913 who was put their @1920 I've found no birth certificates.

Lived 331 Spencer St in Rushville in the early 1960's. she is listed as an aunt to Ray Roberts who was institutionalized and I just discovered was a brother to my Grandfather who was orphaned in 1911 the day he was born who is listed as George William Roberts but became Paul Miller. I'm trying to reach out to any family members who can tell me anything about the family.
